## MOMS Review

S.A.V. This 2011-12 season we'll investigate:

- Skill - the ability,
  - Attitude - the mindset,
  - Value - what's it worth;
- seeing both the Biblical Principle and Practical Application

### Recipe: Hurry-Up Pot-Pie

(prep time 10 minutes)

Ingredients:

- 1, 2pk frozen pie shells (always in freezer)
- 1 large canned chicken (always in cupboard)
- 1 can of cream soup (chicken, celery, mushroom) (always in cupboard)

Combine all in bowl and put in 1 pie shell and top with the other pie shell

Prick holes in top for steam release - YUM!

## Helpful Hints for FALL

**School Kids: -the night before for less confusion in the morning ☺**

1. Fill book bag with homework, instruments, etc; hang on hook or place by door.
2. Pack lunches; put in refrigerator.
3. Set the table for breakfast
4. Layout clothes the night before on dresser
5. Small bulletin board in kitchen with each child's name where they can tack upcoming events; i.e. need cupcakes, need special clothes for special days etc, and etc,

**YOU:**

1. Layout your "week" on paper to see priorities
2. Allow "time" for each kid to fall into a new normal with the changing of the seasons
3. Cultivate an "attitude of gratitude" - keep a journal of small victories over grumbling and complaining.
